><p><span>Camicazi's Journal<span>

Dear Journal

I love his glass,

His curly brown,

How it is so eascrazy air him scared.

Rrrrr...

Why can't he see?

Can't he see all my glances at him?

Can't he hear my heart beating right through my crest when I stand near him?

Everyday I have to fake that nothing has changed between us.

But for me every thing has changed

Friends that's all we are to him, nothing more

And I am sure he doesn't want anything more

I cannot take it anymore, can't he seeâ€¦!

Why can't Fishlegs see that i love him.

><p><em>AN This is a story from the books "how to train your dragon" not the movies. I was looking around how to train your dragon fic when I relived that there was hardly any HTTYD fithey hat are set in the books and no Fishlegs and Camicazi fics so I made one. I started to think what if Camicazi liked Fishlegs and What if she kept a journal. Written in the middle of the night in one of mine overly creative moments.\_

\_So what do you all think please tell me, I need to know what I could do better next time.\_
